**Subject: Civil Society Forum on Drugs in the European Union, Brussels 13-14 December 2007**

Dear Madam, Sir,

Thank you for your interest in the Civil Society Forum on Drugs in the European Union.

We have carefully examined all 75 applications for participation. We have now drawn up a list of those networks and organisations that are most closely in line with the criteria set out in the Green Paper on the Role of Civil Society in EU drugs policy and in the report on the open consultation which followed the publication of the Green Paper.

The list of selected organisations is attached to this note. It will also be published on the Commission's Europa website (<http://ec.europa.eu/>), together with the list of other organisations that applied to take part. Please note that the maximum number of participants was set at 30 in the report on the open consultation.

We are also able to confirm the dates for the first meeting of the Forum. It will take place in Brussels on 13 and 14 December 2007. The exact location, together with the programme, practical arrangements and other details will be sent to you in the coming weeks.

Yours faithfully

Carel EDWARDS  
Head of Unit
