¹ This activity is designed to gather ideas and identify priorities for ENCOD. Participants are given a sheet of paper and can write down any ideas or actions they believe ENCOD should pursue, such as initiatives related to driving tests, decriminalization, cloning, medical cannabis access, legal regulation, Psychedelicare ECI, European demonstrations, festivals, etc.

Once everyone has submitted their suggestions, the ideas are collected in a “poll box.” The group then reads them aloud and classifies them into topics or categories. Finally, participants discuss and decide on concrete next steps, assigning responsibilities for who will do what to turn the ideas into projects or actions.
